

Player One \_\_\_\_\_

Player Two \_\_\_\_\_

# Sight Word Squares

Directions: Players One and Two each choose a different colored crayon. Players take turns drawing a line from one dot to another. If a player makes a square, she reads it, spells it out loud and traces its letters. The player with the most traced words when all of the squares have been drawn wins.

Player Two \_\_\_\_\_

# Alphabet Squares

Directions: Players One and Two each choose a different colored crayon. Players take turns drawing a line from one dot to another. If a player makes a square, she names the letter inside and traces it. The player with the most traced letters when all of the squares have been drawn wins.
