Assembly Directions:

Step 1: Kids cut around the pages, careful not to cut off the tabs.

Step 2: Color each tab a different color.

Step 3: Kids write in all their information before assembling. Don't forget to write each bug's name on the side tabs.

Step 4: Fold the cover page in half so that it makes a book.

Step 5: Pages are numbered so just put them in order inside the cover.

Step 6: Place three staples vertically aligned on the left side patterned binder edge.
